SALT LAKE CITY, UTAH.

BY THE HERALD PUBLISHING CO.

Forecast for today: Fair, warmer.

## BRIEF AND BREEZY.

There is a message at the Western Union telegraph office for G. M. Van-Clear.

W. P. Noble of the police and fire commission, has gone west and will be absent ten or twelve days.

The thermometer at 8 a. m. yesterday registered 24, at noon 22 and at 4 p. m. 23. Maximum temperature 23, minimum temperature 20.

Private Chas. H. McIntosh, hospital corps, now on furlough at Fort Douglas, is transferred from duty from Fort Sheridan, Ill., to Fort Douglas.

Quite a number of Salt Lake people will go up to Ogden to attend the annual convention of the Utah State Sunday School association to be held in the Methodist church at the Junction City November 23 and 24 and December 1.

County Clerk C. E. Stanton yesterday issued marriage licenses to John P. W. Rindfleisch, aged 23, of Ramah, Valencia county, New Mexico, and Alice M. Gal-lagher, aged 18, of the same place; and to James H. England, aged 21, of Blackfoot, Ida., and Elizabeth Draper, aged 18, of the same place.

Gus Neumann, who labors under the hallucination that he is being pursued by Satan, was arrested yesterday by Deputy Sheriff Montgomery and placed in the county jail pending examination before the probate court as to his sanity.

Mrs. Ellen M. Butler, quite a well known resident of this city, whose husband was at one time warden of the penitentiary, died yesterday afternoon at her residence, 76 East First South street. She was possessed of considerable property and Attorney Fred McGurran was called to draw up her will a few hours before her demise. He, however, found her in a comatose state and unable to realize what she was about to do. The will was therefore not drawn and Mrs. Butler died intestate.

A pugilistic encounter was scheduled to take place at Bingham last night between two local gladiators, but Sheriff Hardy becoming cognizant of the intended fight sent Deputy Sheriff Steele to the scene to prevent the encounter with instructions to stop it. Mr. Steele sought out the principals and informed them that if they persisted in breaking the law they would be placed under arrest. With a good deal of grumbling on the part of the promoters the affair was abandoned.

Republicans Rename Him For the Board of Education

## FROM THE FIRST PRECINCT

SIMONDS RUNS HIM CLOSE, WORK NOT IN IT.

It was a stormy meeting and pandemonium reigned for more than half an hour—Democrats of the First Precinct Delegates to the Precinct Convention—The Third Precinct Democrats Meet Tonight to Nominate Their Man.

The Republicans of the First precinct met last evening at the Ninth ward annex school building for the purpose of nominating a candidate for election to the school board, and to elect a delegate to the precinct convention. The meeting was from start to finish tinged with a rich, red, roseate hue, is putting it mildly.

The meeting was called to order at 8 o'clock, and Dennis Eichnor presided throughout—a feat that taxed to the utmost the staying qualities of the firm and doughty Dennis. The "gang" were all there, and order and decency did in no way prevail.

Jake Greenwood moved that the candidates select their own judges of election. Cries of "No!"

E. G. Woolley moved that the chair appoint three judges, and after much wrangling and confusion, it was so ordered.

A. N. Walters, Frank Pierce and Lewis Judice were appointed judges of election. A rule was adopted cutting down nominating speeches to one minute and the chairman was time-keeper.

E. G. Woolley nominated Charles W. Simonids, seconded by George F. Goodwin.

Mr. Tibbels nominated Frank R. Work, and Gus Holmes nominated Rudolph Alff, seconded by Architect Carroll.

C. E. Stanton and Jake Greenwood also commended Alff. McMurrin seconded the nomination of Simonids. Evans talked for Simonids. The nominations were then closed.

It was then agreed that a majority of all the votes cast should elect, and that every voter should give name and address before casting his ballot—this to insure that no Democrats or Populists would have a voice—the chairman declaring that no good Republican would stand by and see other than Republicans voting. It was strictly Republican.

J. G. McAllister moved for a challenger from every ward. It was so ordered, and they were appointed. Voting was then ordered. It was spirited, loud and noisy, there being no semblance of order. The chairman declared himself for order, but his stentorian tones were drowned in the babel of voices. All was confusion.

When voting had gone on to some length, Jake Greenwood moved to strike out the ballot and begin over again, for some cause not apparent to the crowd. He was turned down on the proposition.

**Nearly a Riot.**

At this juncture a riot was narrowly averted. A colored man pasted a white

Matthew Cullen Recovers Judgment for \$94,500 Against the Receiver of the Thompson Bros' Property—Lawyer Baum Gives Bonds and Says He Can Easily Explain Away the Charge of Misconduct With Miss Smith—Other Beaver Court Items

(Special to The Herald.) BEAVER, Utah, Nov. 25.—Frank Hagstead, who was convicted of murder in the second degree for killing Indian Wint, was sentenced to the penitentiary for sixteen years at hard labor. A motion in this case was made for a new trial, which was overruled. The testimony has been ordered transcribed with a view to appealing the case.

Hagstead said when leaving the court that he would rather be taken out and shot than undergo the sentence pronounced by the court.

Cullen Gets Judgment for \$94,500.

In the case of Matthew Cullen v. W. B. Stanley, receiver of the Thompson Bros' property, judgment was today rendered by the court in favor of the plaintiff in the sum of \$94,500 and costs, and upon agreement of the parties it was ordered that the receiver, out of the \$25,000 in his possession, pay to Matthew Cullen and E. W. Thompson, sr., this amount in proportion to their respective claims.

**Baum Gives Bond**

The bail of Peter M. Baum, who was indicted for adultery, was reduced on motion of the prosecution to \$250, which Mr. Baum promptly deposited in cash. Mr. Baum is very emphatic in his declarations that there is nothing in the case but a little spite work, and says he has the evidence in his possession that would dispose of the matter in a very short time, but that he proposes to go to trial on it now that it has gone so far and show the public just what there is in the matter, and after that he proposes to make matters warm for those who have taken such an interest in his affairs.

Mr. Gentry, the principal complaining witness against Baum, has been cited to appear before the court tomorrow morning at 9 o'clock, presumably on some statements that he has made about the Baum affair.

**Minor Matters.**

The case of Nathan Williams vs. David A. Giles was compromised and dismissed.

The big water suit between the Minersville people as plaintiffs and the Adamsville people as defendants was settled today by compromise, and judgment was entered accordingly.

A large list of motions and demurrers of no great public interest was disposed of this afternoon.

The court adjourned this afternoon out of respect to the memory of the Hon. H. W. Smith.

Court will adjourn tomorrow for a few days to give the attorneys time to make up their papers, etc., in a number of cases, after which court will adjourn for the term.
